

## Small Group Study September 25/26

Series: **Becoming a Good Samaritan**

Title: **Seeking Justice**

### Getting Warmed Up

- Who comes to your mind when you think of someone who has invested their life to make sure other are treated with dignity and respect?
- Where does "injustice" exist in today's world?
- What is your definition of poverty?

### • Into The Word

- Read Isaiah 1:16 – 17 aloud.
- What are God's specific expectations of those who follow Him?
- Before coming alongside others, what must be done (verse 16)?
  
- Read Isaiah 58:9b – 12
- What are the actions asked for and what are the promises that go along with these actions?

### Personalizing It

- What are the barriers that you see in front of you that might prevent you from being more intentional about helping people who are living in poverty or in injustice?
- What "people group" do you have the hardest time understanding or relating to?

### Living it out

- What actions – whether small or large – might help you begin to build bridges toward inclusion of all of God's people, regardless of their colour, their class, or their culture?

START now in choosing at least one thing from the above in which you put into action in your own life and as a group as a whole.

Becoming A Good Samaritan

Take some time to pray for one another and for the diligence to follow through on what God is calling you to be and do!
