SAMSON PART 2:

“THE ECHO OF
SOMETHING MORE”

SEPT 23RD

Israel has drifted from the call of God on their nation. Even though they don't cry out to Him, he still sends a deliverer in Samson – once again, God shows He is a loving, merciful and gracious God. It'll His deliverance and it's His call. He did the same for us. Even though we do not deserve it He send us Jesus and the gospel is all we need to live out our call.

Is 43:1-7; Judges 13:1-9

1. What things do you have to refer to, to determine where you are in your *focussing-on-God* – line?
(On a scale of 1-10 where would you be?)
2. Do you remember how and when God first called you by name? (Is 43:1-2)
3. Rom 10:17 - Think of some times recently when you heard God's word to you specifically? How did it happen? What ways does God speak to us?
4. 2 Cor 5:17-21 – How has God called us to be “reconcilers” in our community? How does that play out practically in your life right now?

**“The more you understand the grace of the gospel
the more you are able to fulfill the call to be set apart.”**

5. How does understanding the gospel enable us to be on mission for Jesus?
6. Heb 12:1-2 – What does it mean to “Look to Jesus” practically in our life? How does this enable us to fulfil our call to become more like Jesus and join Him in His mission?
